

SERVICE BULLETIN

14-T5-35

DATE: 11\06\2014

MODELS CONCERNED: MK4 300 Litre PGC

Also the following tractors if fitted with PGC;
MK4 B Series B60-4TRAC, B250-4TRAC, C50, C60, C80,
F60-4TRAC, F250-4TRAC, T50, T60 & T80.

CONCERN: New PGC belt guard kit for MK4 2014 model 300 Litre PGC units. This guard kit is available as an optional upgrade to the steel version.

PGC Guarding Kit

2014 MK4 PGC units made before 4th June were produced with a metal drive belt guard. A new kit is available as an option for customers who are experiencing difficulty when working with the steel guard. All MK4 PGC units produced from 4th June, from serial number A0280752 include the new guarding kit as standard.

Kit Number	Description
50100046	PGC Guard Kit

The attached manual explains what is included in the kit and how to install it.
